EXAMINARE DOCTORAT

Examenul va avea loc in ziua de 10 septembrie a.c. la ora 10.00, platforma Zoom

Forma de examinare, conform regulilor stabilite de consiliul școlii doctorale pentru admiterea la studiile de doctorat din luna septembrie 2020 presupune două probe:
a). prezentarea proiectului de cercetare și discutarea acestuia cu membrii comisiei de concurs (50% din nota finală);
b). examen oral, pe baza bibliografiei de concurs afișate pe site (50% din nota finală).
Orice tentativă de fraudă, constatată de membrii comisiei de admitere, atrage după sine eliminarea candidatului din examen, situație în care comisia va trimite secretariatului școlii doctorale documentele justificative.
Examenul va avea loc în **limba engleză**.

Desfășurarea examenului de admitere
Examenul se va desfășura online, pe platforma Zoom, și va fi înregistrat. La începutul examinării, președintele comisiei de admitere va solicita, în vederea înregistrării, acordul verbal al tuturor participanților.
La finalul examenului, președintele comisiei de admitere va comunica secretarului școlii doctorale rezultatul admiterii și va depune documentele solicitate prin Regulamentul de desfaşurare a examenului de doctorat.
