Neamțu on his 70<sup>th</sup> anniversary'), consisting of works of prestigious linguists from almost all the universities in Romania, who wrote on some of my most notable ideas regarding the predicate, the possessive and the demonstrative pronouns and adjectives, case inflection, the morpho-syntax of relative and interrogative pronouns and adjectives, of numerals and of many other controversial issues concerning contemporary Romanian grammar. My name and my work (studies, articles and volumes) have been referred to in most of the literature in the field of contemporary Romanian grammar (GALR 2005/2008, GBLR 2010). In the past years I have also focused on guiding young researchers (teachers, PhD candidates), with a view to making them publish their own grammar studies.
