2. Information about the subject

2.1 Course title		Language and Cultural Studies 1– Spanish					Code	LMC1103	
2.2 Course tutor		Dr. Olivia Petrescu							
2.3 Seminar tutor		Dr. Olivia Petrescu							
2.4 Year of study	1	2.5 Semester	1	2.6 Type of assessment		2.7 Course status	Contents		
							Mandatory	yes	

3. Total estimated time (teaching hours per semester)

3.1 Number of hours per week	2	of which: 3.2 course	1	3.3 seminar/practical course (laboratory)	1
3.4 Total number of hours in the curriculum	28	of which: 3.5 course	14	3.6 seminar/practical course (laboratory)	14
Allotted time for individual study (IS) and self-study activities (SA)					hours
Study based on textbook/course manual/recommended reading/personal notes					10
Additional research in the library, by accessing scientific databases, or during field work					25
Preparation for seminars/laboratory classes, essays, portfolios and reports					25
Tutoring					8
Assessment (examinations)					2
Other activities					
3.7 Total hours for individual study (ID) and self-study activities (SA)	5 x14 = 70				
3.8 Total hours per semester	7 x14 = 98				
3.9 Number of credits	4				

4. Prerequisites (if necessary)

4.1 Curriculum	N/A
4.2 Skills	N/A

5. Conditions (if necessary)

5.1. For delivering	<ul style="list-style-type: none"> A classroom equipped with blackboard, video-projector and Internet connection.
---------------------	--

lectures	.
5.2. For teaching seminars/laboratory classes	<ul style="list-style-type: none">A classroom equipped with blackboard, video-projector and Internet connection.

6. Acquired specific competences

Professional competences	<p>C1. Defining, describing and explaining the specific elements of the respective cultures and civilizations, of the notions of European and national identity, of the methods and principles of negotiation and communication, of the techniques of oral and written linguistic and cultural mediation, in various linguistic registers, in the study languages A, B, C;</p> <p>C 2. Analysis and presentation of cultural phenomena in the reference context:</p> <p>C3. Using the notions of history, culture and civilization and the techniques of oral and multimedia presentation in the mediation process; identifying specialized terminology in one language and translating it into other working languages, including in the case of new situations, identifying specific elements and transposing them into other linguistic and cultural contexts.</p>
Transversal competences	<p>CT1. Optimal management of professional tasks and learning to perform them on time, rigorously, efficiently and responsibly; identifying problems and finding solutions quickly; mastering the code of ethics and observing the ethical norms specific to the field (e.g.: fairness, confidentiality).</p> <p>CT 2. Development of an individual project of continuous training; fulfillment of training objectives through translation activities, team projects and participation in institutional programs.</p>

7. Course objectives (derived from the acquired specific competences)

7.1 General objective of course	<p>The course <i>Language and cultural studies</i> ensures the acquisition and consolidation of the fundamental discursive and cultural competences in the study languages, respectively of the competences necessary to use the professional communication registers and to adapt the text/discourse to specific and complex communication contexts.</p> <p>It provides the tools for a quick and accurate identification of socio-historical and cultural references in the discourses with which it comes into contact in the interpretation and translation activity.</p>
7.2 Specific objectives	<ul style="list-style-type: none">presentation of a complex synthetic and contextual vision on Spanish history and civilization in the twentieth and twenty-first centuries, bringing to the fore concepts and themes indispensable to the foundation of a knowledge of the Spanish anthropological and cultural specificity;making connections between political, social, economic and cultural aspects in connection with the great national and universal periods and identifying the socio-historical and cultural references in the discourses/ texts with which they come into contact in the activity of interpretation and translation;developing research skills, creativity and the ability to develop projects on Spanish culture and civilization.
