2.2 Course tutor		Olivia Petrescu, Ph.D. Associate Professor							
2.3 Seminar tutor		Olivia Petrescu, Ph.D. Associate Professor							
2.4 Year of study	1	2.5 Semester	2	2.6 Type of assessment	E	2.7 Course status	Contents	DSIN	
							Mandatory	yes	

3. Total estimated time (teaching hours per semester)

3.1 Number of hours per week	2	of which:	3.2	1	3.3 seminar/practical course (laboratory)	1
3.4 Total number of hours in the curriculum	28	of which:	3.5	14	3.6 seminar/practical course (laboratory)	14
Allotted time for individual study (IS) and self-study activities (SA)						hours
Study based on textbook/course manual/recommended reading/personal notes						10
Additional research in the library, by accessing scientific databases, or during field work						35
Preparation for seminars/laboratory classes, essays, portfolios and reports						35
Tutoring						8
Assessment (examinations)						2
Other activities						
3.7 Total hours for individual study (ID) and self-study activities (SA)	7x14 = 98					
3.8 Total hours per semester	9x14 = 126					
3.9 Number of credits	5					

4. Prerequisites (if necessary)

4.1 Curriculum	N/A
4.2 Skills	N/A

5. Conditions (if necessary)

5.1. For delivering lectures	<ul style="list-style-type: none"> A classroom equipped with blackboard, video-projector and Internet connection.
5.2. For teaching seminars/laboratory classes	<ul style="list-style-type: none"> A classroom equipped with blackboard, video-projector and Internet connection.

6. Acquired specific competences

Professional competences	<p>C1. Defining, describing and explaining the specific elements of the respective cultures and civilizations, of the notions of European and national identity, of the methods and principles of negotiation and communication, of the techniques of oral and written linguistic and cultural mediation, in various linguistic registers, in the study languages A, B, C;</p> <p>C 2. Analysis and presentation of cultural phenomena in the reference context:</p> <p>C3. Using the notions of history, culture and civilization and the techniques of oral and multimedia presentation in the mediation process; identifying specialized terminology in one language and translating it into other working languages, including in the case of new situations, identifying specific elements and transposing them into other linguistic and cultural contexts.</p>
Transversal competences	<p>CT1. Optimal management of professional tasks and learning to perform them on time, rigorously, efficiently and responsibly; identifying problems and finding solutions quickly; mastering the code of ethics and observing the ethical norms specific to the field (e.g.: fairness, confidentiality).</p> <p>CT 2. Development of an individual project of continuous training; fulfillment of training objectives through translation activities, team projects and participation in institutional programs.</p>

7. Course objectives (derived from the acquired specific competences)

7.1 General objective of course	<p>The course ensures the acquisition and consolidation of the fundamental discursive and cultural competences in the study languages, respectively of the competences necessary to use the professional communication registers and to adapt the text/discourse to specific and complex communication contexts.</p> <p>It provides the tools for a quick and accurate identification of socio-historical and cultural references in the discourses with which it comes into contact in the interpretation and translation activity.</p>
7.2 Specific objectives	<ul style="list-style-type: none"> presentation of a complex synthetic and contextual vision on Spanish history and civilization in the twentieth and twenty-first centuries, bringing to the fore concepts and themes indispensable to the foundation of a knowledge of the Spanish anthropological and cultural specificity; making connections between political, social, economic and cultural aspects in connection with the great national and universal periods and identifying the socio-historical and cultural references in the discourses/ texts with which they come into contact in the activity of interpretation and translation; developing research skills, creativity and the ability to develop projects on Spanish culture and civilization.

8. Contents

8.1 Lecture+ practical course/ seminar	Teaching methods	Remarks
--	------------------	---------

1. The role of cultural studies. Spanish economy by sectors.	<ul style="list-style-type: none">• interactive lectures;• comparative analysis;• presentation of socio-political currents and representative cultural works, based on audio-video materials;• individual project papers and presentations.	<ul style="list-style-type: none">• heuristic conversations and debates;• virtual visits to museums or other institutions.

9. Validating course contents based on the expectations of epistemic communities, professional associations and of potential employers related to the field of study.

Our academic objectives are correlated with and permanently checked against the directions of the epistemic community and the expectations of employers recruiting graduates of Applied Modern Languages programs, such as chambers of commerce and industry, European institutions, national and international bodies and companies, diplomacy structures, media, translation and tourism agencies, economic factors, and public establishments, to name a few. The Department of Applied Modern Languages collaborates on an ongoing basis with a number of socio-economic and professional stakeholders, namely with Viking, WeLocalize, Alstom, EXL, XTENSOS, in compliance with the standards issued by the Romanian Agency for Quality Assurance in Higher Education (ARACIS).

10. Assessment (examination)

Type of activity	10.1 Assessment criteria	10.2 Assessment methods	10.3 Weight in the final grade
10.4 Lecture / practical course/	- the evaluation will be done both during the semester and during the final verification;	Written exam and individual project paper.	50% - final verification; 50% - activity
